7 Days of **PRAYER** for Muslims

This booklet is an invitation to pray the Heart of God over Muslims around the world. He desires for Muslims everywhere to have the right to be called His children. By uniting in prayer, we can participate in removing barriers that hinder their approach to God.

More than 1.5 billion Muslims are unreached — they have little to no access to the Good News of Jesus. We hope you will use the following prayer points and obstacles to launch strategic intercession for the following seven regions of the world, all with a heart to see unreached Muslims encounter God Most High.

Please share this booklet freely. To God be the glory.
